The Ford Delivery Car is probably one of the most used cars in the business world. The reasons are simple: It is the most econom-ical motor car in service; it is the most dependable motor car in service; it is the most satisfactory motor car in service, because it is the regular Ford Chassis with just the kind of body you want. We can get or build any kind of a body you may desire, plain or fancy. It will multiply the volume of your business by doubling your business territory. If this were not so, the biggest corporations in the country would not be using fleets of Ford cars for delivery purposes. Come in. Let's go into details a little farther with you. You will find it a profitable investigation.
